Child Safety Policy

At Strike A Pose Photography the safety and wellbeing of the children we photograph is our highest priority. We appreciate and acknowledge the trust placed in us by the families of the children, the centre/Kindergarten/School/Sporting Clubs that engage us and follow a protocol that protects the children. At all times we will follow the policies of the places we visit and our own policies as well.

Our staff

Our Staff are experienced working in the industry and the owner, Rosemary O'Brien has been photographing children for over 15 years.

All staff hold a current Working with Children's Check.

All staff mobile phones are left in the centres office and **will not** have mobile phones on them whilst taking children's photos at a venue.

Staff will always be supervised by a staff member of the venue where we are at and will never be left alone unsupervised.

Our approach to taking photos of children

We will never force a child to participate in photography day. We concentrate on building a rapport with each child and if we feel the need we will ask a centres staff member to assist in achieving great results in a comfortable way with the child.

We take care to ensure the child feels safe and is willing to participate.
